

Advantages of Terran Axles

- All Terran Axles are Machined Welded for maximum strength and precision
- All Brake Drums have “cooling fins” which help cool down brakes and brake pads
- All Axles come with Spring Seats that are welded within a 1/10th of an inch
- U-Blots have anti-corrosion coating to help prevent rust
- Terran Axles are 15% Stronger than competitors.

Warranties

- Limited 8-year warranty on Spring and Torsion Axles
- Limited 5-year warranty on Leaf Axles
- Limited 3-year warranty on Bearings
- Limited 1-year warranty on Grease Seals
