GOODYEAR

Coachmen is NOW pleased to offer Goodyear® LT tires on all Remote units

- ✓ **Durable tread compound** makes for a longer lasting tire, built to handle tough conditions while resisting chipping and chunking.
- ✓ **Interlocking tread blocks** offer optimal dry weather grip and confident handling.
- ✓ **Four wide circumferential grooves** allow for efficient channeling of water across lateral voids and shoulder slots to resist hydroplaning in wet conditions.
- ✓ **In-groove biting edges with an optimized sipe design** provide considerable all-season grip.
- ✓ Innovative **soybean oil technology** in the tread compound reduces petroleum use, making this an eco-friendly tire!
- ✓ **Significant strength and toughness against curb damage**
2-ply polyester casing under two wide high tensile steel belts for improved stability, even under heavy loads.
- ✓ **Speed Ratings "R" / 87 MPH and "S" / 112 MPH**
- ✓ **Lionshead 1•2•5 Lifetime Protection**
